Application No. 09/826,607

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received electronically at the Board of Patent Appeals and Interferences on November 26, 2007. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

An Information Disclosure Statement (IDSs) was filed on December 23, 2004 and August 15, 2006. A review of the Image File Wrapper reveals that the examiner has not considered these IDSs. According to MPEP § 609 which states:

Application No. 09/826,607

“ . . . The Examiner must also fill in his or her name and the date the information was considered in blocks at the bottom of the PTO-1449 or PTO/SB/08A and 08B form.”

Accordingly, it is

ORDERED that the application is returned to the Examiner for consideration of the Information Disclosure Statements, written notification to the applicants of such consideration and for further action as may be appropriate.
